

DEPARTMENT OF PERIODONTOLOGY
GOVT. COLLEGE OF DENTISTRY, INDORE

REPORT OF CDE PROGRAMME: 22 AND 23 SEPTEMBER 2023

Department of Periodontology, Govt. College of Dentistry, Indore in association with Indian Society of Implantology (ISOI) Indore study club has organized a 02 days CDE programme on 22nd and 23rd september 2023 on “Guided Bone Regeneration: Principle and Techniques”. The CDE programme included lectures, live surgical demonstration as well as hands-on. The main speaker of the programme was Dr. Saurabh Kamat, Oral and Maxillofacial Surgeon, Govt. Dental College, Goa. The other speaker of programme was Dr. Shaleen Khetarpal, Reader Dept. of Periodontology, GCOD, Indore. Both the speakers had covered the topic of GBR in detail with significance of Bone Regeneration, its indications and contraindications, various techniques, complications and their management along with its role in patients esthetics and functional rehabilitation.

The inauguration of programme was done by Dr Sandhya Jain, Principal, GCOD Indore, Dr. Madhu S.Ratre, Professor and Head, Dept. of Periodontology along with ex-principals of GCOD Dr. V.P. Jalili, Dr B.M. Shrivastava, Dr Subhash Garg and former principal Dr. Deshraj Jain. ISOI Indore study club coordinators Dr Deepak Agrawal and Dr Manish Verma had coordinated and explained surgical demonstration. Principals from other institute and various Head of Department and faculties had graced the occasion. More than 50 participants, post-graduate students of different specialties, clinicians and ISOI members had registered for CDE programme. The programme conduction was done by Dr Swati Kanungo and Dr Shruti Bakliwal. Vote of thanks was delivered by Dr Parul Jain. The hands-on was supported by Giestlich. The programme was a huge success. The knowledge and information shared in this platform has opened a new idea for advanced technique of GBR. The live surgical demonstration was an eye-opener and great motivation to begin with advance procedures for all the participants.
