

POSH WORKSHOP

An advanced POSH WORKSHOP was conducted in Government college of Dentistry on 20th July. The trainer Dr. Shailaja Madhok who is an alumni of Government College of Dentistry and is a certified POSH trainer was amongst us.

She gave us an insight to POSH Act and constitution of Internal committee for POSH implementation at college level.

The session was very enlightening as she threw light on the intricacies of POSH compliance.

There were brainstorming sessions and open ended discussions. The staff and students were benefitted greatly by the session. It was an eye opener to the gravity of situation existing in society. We were greatly benefitted by the case discussion and situational analysis. Overall a very enlightening session.
